

Aflac Group Hospital Indemnity Insurance

What is it?

A sudden hospitalization might stop you in your tracks, but your bills - mortgage, utilities, groceries and out-of-pocket costs - will continue.

Aflac's Group Hospital Indemnity insurance provides you with cash benefits to help with the following types of costs for a covered hospital stay:

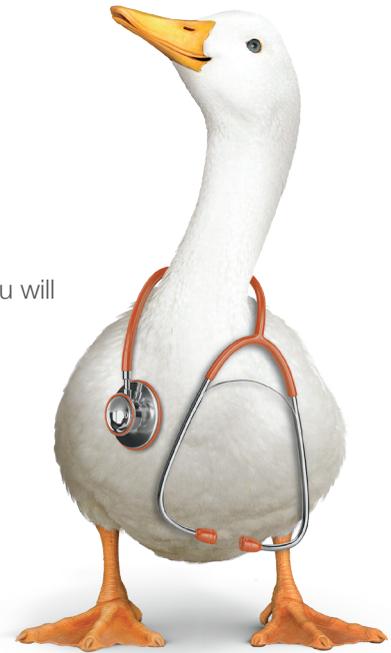

- Hospital admission
- Hospital confinement
- Hospital intensive care

The plan also provides a \$100 Mammography benefit.

Why would I enroll?

Aflac pays cash benefits directly to you – unless assigned otherwise – which means you will have added financial resources to help with medical costs or ongoing living expenses. Our Hospital Indemnity coverage also complements any major medical coverage that you may have. In addition, the following plan features apply:

- Guaranteed-issue coverage for all eligible employees during their initial enrollment
- No pre-existing condition exclusion or pregnancy limitation
- No waiting period
- Available for all family members; dependents are eligible if the employee is eligible and participates; spouse-only and child-only coverage is unavailable
- Coverage may be continued if you leave the company or retire (with certain stipulations).
